

Social Media Guidance for Green Ribbon Week

On September 17-21st over 50,000 youth, adults and allies in New Jersey will unite to promote positive mental health for youth. To amplify their message, we have put together this toolkit with sample tweets, posts and graphics to help amplify Green Ribbon Week.

You should tag your organization and identify any resources that your group offers to support youth mental health.

It is really important that you use the hashtag #GreenRibbonWeek.
